Efficient Bathroom Pods

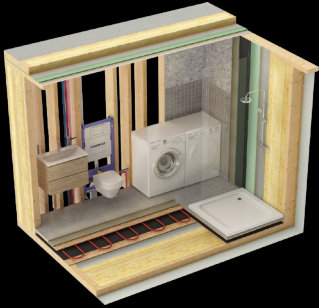

InstaBuilt bathroom pods:
Plug-and-play,
cost-efficient solutions in
diverse frames and sizes.

InstaBuilt bathroom pods are one of the most cost-efficient ways to speed up any real estate project. In retail and commercial space, they can be delivered anywhere and just plugged into the construction unit with their self-supporting sanitary system. All of them can be constructed in different ways - with CLT, Timber, Hybrid, or Steel frame. All of them in different sizes or based on any project configuration.

Unparalleled Design for Comfort and Functionality.

Discover the epitome of design excellence with InstaBuilt bathpods, where innovation meets aesthetics. Our bathpods stand out not only for their exceptional functionality but also for their diverse color palette and customizable sizes. Whether you prefer a serene white, a bold statement color, or a soothing neutral tone, our bathpods are available in a spectrum of hues to suit your taste and elevate your space. Embrace the luxury of choice as you explore our range of sizes, ensuring a perfect fit for any project configuration. InstaBuilt bathpods redefine bathroom design, offering a harmonious blend of style and functionality to enhance your living or commercial space.

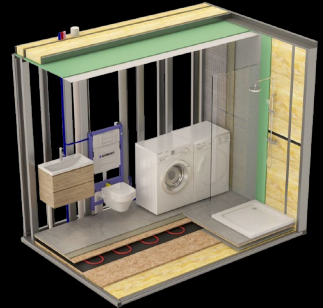

Timber Bathpod

Our Timber Bathroom pods are modular bathpods that are industrially prefabricated and designed with high-quality materials. The Timber Bathpods are available in three different sizes - S, M, and L - to fit your specific requirements.

CLT Bathpod

These bathroom pods are built with cross-laminated timber (CLT) which is known for its durability, strength, and sustainability. CLT bathpods offer a cleaner and safer work environment and are available in three different sizes - S, M, and L.

Steel Bathpod

By choosing the Steel Bathpod, you can reduce labor, materials, waste, costs, and ensure high-quality in the planning and construction process. The Steel Bathpod are available in three different sizes - S, M, and L, durable and long-lasting bathroom solution

Different Size

Discover InstaBuilt bathpods in three sizes - S, M, L - offering tailored solutions for versatile project needs, ensuring seamless integration and optimal functionality.

S Type

Revel in smart design with our small-sized bathpod—a perfect blend of compact dimensions and sophisticated style. Balancing efficiency and elegance, it offers a space-saving solution without compromising on modern aesthetics.

M Type

Immerse yourself in the essence of elegance and functionality with our medium-sized bathpod. Perfectly proportioned, it strikes a harmonious balance, offering a sophisticated solution that enhances your space with timeless design and practicality.

L Type

Step into luxury with our spacious large-sized bathpod. Indulge in opulence and tranquility as comfort seamlessly blends with sophistication. This lavish bathpod creates an inviting retreat, elevating your bathing experience to new heights of relaxation and style.
